A right-angled triangle is shown with its hypotenuse drawn as a straight line segment, indicating it is a straight edge or a line of zero curvature.

A large gray square with a thick black border. Inside the square, two black lines are drawn from the top-left corner to the bottom-right corner and from the top-right corner to the bottom-left corner, forming an 'X' shape.

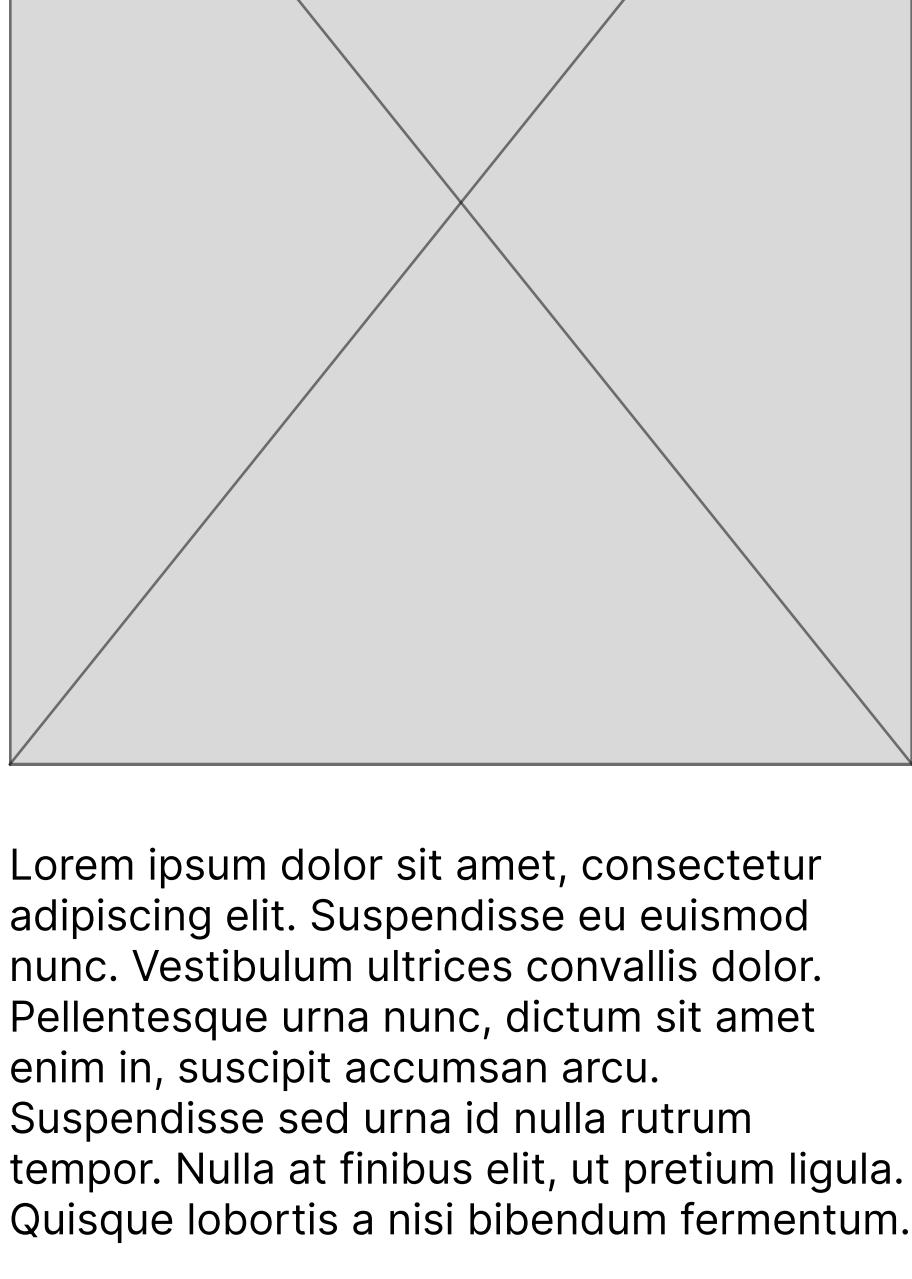

## ANSWER

1

The diagram consists of a single large rectangle. A straight line is drawn from the top-left corner to the bottom-right corner, creating a diagonal that divides the rectangle into two congruent triangles. The left triangle is shaded with horizontal gray lines, while the right triangle is unshaded.
